EXPERIENCE

USER EXPERIENCE CONSULTANT

STAMP MARKETING | OCT 2018 - DEC 2018

- Worked with client and team to formulate effective research strategy.
- Conducted a six week research study involving background research, 8 contextual inquiries, data modeling and interpretation.
- Built Affinity Diagram, Day in the Life Model, and Sequence Diagrams.
- Worked with team to draw out ideas and product concepts from the data.
- Prototyped and presented five different products and solutions to client.

MARKETING COORDINATOR

TLTC, UMD | AUG 2018 - PRESENT

- Strategized advertising and media campaigns for events such as Thank a Teacher Week, which included campus wide programming to reach 2,400+ students and faculty.
- Collaborate with department heads to re-brand events and user facing content such as Active Learning Week, and social media profiles.
- Restructure and strengthen weak aspects of the department's website to help users quickly find pertinent teaching support resources.
- Develop weekly newsletter to communicate with 4,600+ subscribers.

GRAPHIC DESIGNER

SADDLEBACK | JUN 2016 - PRESENT

- Began as design intern on curriculum development team. Promoted to full time contracted graphic designer.
- Communicate with creative directors to create big picture ideas and design concepts for both small scale projects and organization wide campaigns.
- Design and present graphic asset packages for digital, print, and video formats.

DESIGN FELLOW

ELISAVA, BARCELONA | SPRING 2017

- Member of international cohort with diverse creative backgrounds.
- Created ad campaigns, restaurant re-branding, product briefs, and video ads.
- Studied design thinking through classes in typography, graphic design, art history and product design.
